We are dynamic schools with an inclusive ethos which ensures there are consistently high expectations for all. In particular we celebrate the primacy of the parent as the enduring educator. We support and enable children and families to develop dispositions to be lifelong learners. Our focus is on building successful learning communities where all stakeholders have a role to play including, children, staff, families and Governors.</p> <p>Our mission is to work together as a Federation of Nursery Schools sharing one voice with one goal of excellence for our children.</p>	<p>We are very sad to let you know that our Head of School, Simone, is leaving us. If you are collecting your child early, please be advised that after 2.40 the door will not be opened until 2.55, to prevent any disruption to the children's story time at the end of the day. Thank you in advance for your cooperation.

Please can you ensure that your child's name is written in any coats, jumpers, hats etc. It really helps us when we are trying to find missing items!

Yellow and Orange Room News

Every week, in each class, we focus on six children. We observe them while they play to find out more about their interests and how they are progressing. Have a look out for your child's learning journey sheet, you will see photographs and written observations about them.

We also value the knowledge and understanding you have of your child and would really appreciate it if you would share this with us so that together we can meet your child's needs. We would love to know about anything significant happening in their lives e.g. visits, holidays, new pets or family celebrations.

This term we have been busy planting in the garden. The children have grown leeks, runner beans, pumpkins and courgettes from seeds and have helped to plant them out in the vegetable patches. They are learning how to take care of them by making sure they have water and sunlight to grow.

Indigo Room News

The children in Indigo have been very busy learning all their primary colours and they have also been learning different Makaton signs!

If you do not have one already, please do purchase a book bag from the office. They are £3.

Fridays are our library days. Please do feel free to come and read a book with your child when you drop them off or you can watch a teacher read with your child. We would also like you to encourage them to choose a book to bring home and read with you.

Please bring in any old boxes, bottles, cardboard boxes etc for junk modelling! ☺

Finally, from all the staff at Ann Bernadt we hope you all have a fantastic half term break and we all see you all on Monday 6th June! ☺
