

22 November 2016

Dear Parent/Carer

To support us in delivering free lunches to your child, the Nursery is subscribed to the food charity FareShare, which redistributes food from depots that is well within its use by dates but is not required by supermarkets.

In the past we have supplied vegetarian or fish dishes on your child's lunch day, however, FareShare are able to make available high quality meat on occasions from such companies as Tesco and Waitrose. The company also distributes Halal meat when available.

Please complete and return to the school office the form below to advise us of your child's dietary requirements.

Yours

Lynne Cooper  
Executive Head teacher
