Getting to know your child....

Child's name:

D.O.B.

Date of visit:

Date of entry:

Getting to know the family....

Who looks after your child?

Who lives in the family home?

Any family members/friends caring for your child outside of home?

What do you like to do together as a family? Are there any particular cultural events you celebrate?

What do you hope your child will gain from nursery?

Getting to know your child....

What does your child like to be called?
Any nicknames they respond to?

How do you write their name?

What is your child interested in?

What tablets mobiles etc do you have at home? What does your child use them for?

Where do they like to play and who do they play with?

Do they enjoy going to the park? What do they enjoy doing? How confident are they to catch a ball, climb, jump, ride a bike/scooter?

Do they have any pets?

How can we support your child?

Has your child been to other nurseries/playgroups/friends? How do they play with other children? Do they follow others or take the lead?

How does your child manage when they don't get their own way? (e.g. when you have to say "no").

Tell me what languages your child speaks and hears at home?

Do you always understand what your child is saying to you?

Do other adults always understand what your child is saying?

Does your child always understand what you have asked them to do? How do you know

Does your child have any additional needs that you know of, for example: speech and language delay?

Do you have any concerns about your child's development?

Have they had their hearing tested? If so, what was the outcome?

Is there anything they might need specific help with?

Tell me what books your child likes to share with you.

Does your child like going to the library?

Does your child listen to stories in your home language?

What does your child like to draw or write?

Do they take an interest in numbers around them (e.g. bus, door, age)

Do they play pretend games?

Can they feed themselves and drink from a cup?

Are they toilet trained? If not, what have you tried so far?

Do they require help with undressing/dressing and fastenings?

What do you think might help your child to settle into nursery?
